RESPONSE

Sir:

In response to the Official Officer Action dated

December 28, 1998, in the above referenced application,

please amend as follows:

IN THE CLAIMS

(Amended) The invention as defined in claim 1 wherein said interdental mouthpiece is positioned on the outer surface of said housing normal to the longest dimension of said housing [when connected thereto].

- 3. (Amended) The invention as defined in claim 1 wherein said interdental mouthpiece is positioned on a plane parallel with the longest dimension of said housing [when connected thereto].
 - 4. (Amended) The invention as defined in claim 1 wherein
